Power Supply and Tape Cassette Open the cassette cover by pressing the above indicated area at the top end of the machine. If a tape cassette is already installed, remove it by pulling it straight up. Insert six new AAA alkaline batteries LR03 or fully charged NiMH batteries HR03, making sure that their poles point in the correct directions. Users of alkaline batteries Always replace all six batteries at the same time with brand new ones. Users of NiMH batteries Always replace all six batteries at the same time with fully charged ones. NOTE Visit us at for the latest information about the recommended batteries. Cursor key Left 12. Backspace key 13. Size key 14. Style key 15. Character keys 16. Caps key 17. Symbol key 18. Menu key 19. Clear key 20. Print key 21. Enter key 22. Auto Designs key 23. Supply power by using six AAA batteries, and then press. 2 Set the language. 3 Set the unit of measurement. Troubleshooting X Error message X What to do when. The batteries are weak. If using AAA alkaline batteries Replace them with new ones. If using NiMH batteries Charge them fully. Install tape of a larger size. No Cassette! You tried to print a label when there is no cassette installed. Cutter Error The tape cutter lever was used during the printing process. With the DECO MODE function Since the number of entered characters exceeds the label length, reduce the text. Wrong Tape! Use a tape cassette with the mark. Language and Unit settings will also be cleared. Remove the tape cassette and use a dry cotton swab to gently wipe the print head with an upanddown motion. Do not touch the cutter lever during printing. NOTE Do not press after the second line; otherwise the "Line Limit!" error message will appear. X To Clear By

pressing, the letters will be deleted one by one. X Preview You can preview the text before printing. Only the text can be previewed, not the size, font or any additional features. <http://master-br.ru/img/canadian-foundation-engineering-manual-4th-edition-pdf-free-download.xml>

You can save up to 9 labels and recall them for printing at a later date. A maximum of 80 characters can be saved per file, a maximum total of 720 characters for the total memory. You can also edit and overwrite the stored label. X Print X Save X Open NOTE If you try to store a label when there is already a label stored to that number, a message "Overwrite" will appear. Press to save your new label. Press to cancel. If the cutter blade becomes dull after repetitive use and the tape cannot be cut cleanly, replace with a new cutter stock no. TC 4. You may obtain this item from an authorized Brother reseller. X Replacing the Cutter Unit 1. Pull out the two sections of the cutter unit green in the direction of the arrows shown in the illustration. 2. Install a new cutter unit. Push it in until it snaps into place. You can reset the Ptouch labeler when you want to initialize the settings, or in the event the Ptouch labeler is not working properly. 1 Turn off the Ptouch labeler, hold down and then press to turn the Ptouch back on. 2 Release and. The Ptouch labeler turns on with the internal memory reset. NOTE All text, settings and stored files are cleared. Cutter Unit TC4 replacement Do not touch the cutter blade directly with your fingers. The Declaration of Conformity DoC is on our Web site. USING TEMPLATES The designed labels shown below are preset in the machine. Using these templates, you can create decorative labels easily by inputting text. This function allows you to create unique labels by using builtin templates. Press to select the frame design. Press to select various symbols. To enter Basic symbols Only the highlighted symbols can be used in DECO MODE. For example, a car is displayed as in the screen. To print all pictographs NOTE Press to return to the previous step. We recommend using Brother Flexible ID tape when wrapping. Select from the many frames, character sizes and styles to design beautiful custom labels.

In addition, the variety of tape cassette available allows you to print labels with different widths and exciting colors. Read this manual carefully before you begin and keep the manual in a handy place for future reference. Suivant. The lack of an instruction or false information given to customer shall constitute grounds to apply for a complaint because of nonconformity of goods with the contract. In accordance with the law, a customer can receive an instruction in nonpaper form; lately graphic and electronic forms of the manuals, as well as instructional videos have been majorly used.

A necessary precondition for this is the unmistakable, legible character of an instruction. Therefore, in an instruction of Brother PT100 one could find a process description. An instruction's purpose is to teach, to ease the startup and an item's use or performance of certain activities. A good user manual introduces us to a number of additional functionalities of the purchased item, and also helps us to avoid the formation of most of the defects. An instruction contains a number of clues concerning respective functionalities, safety rules, maintenance methods what means should be used, eventual defects of Brother PT100, and methods of problem resolution. Eventually, when one still can't find the answer to his problems, he will be directed to the Brother service. Lately animated manuals and instructional videos are quite popular among customers. These kinds of user manuals are effective; they assure that a customer will familiarize himself with the whole material, and won't skip complicated, technical information of Brother PT100. After a successful purchase of an item one should find a moment and get to know with every part of an instruction. Currently the manuals are carefully prearranged and translated, so they could be fully understood by its users. The manuals will serve as an informational aid. If you're an actual person please come on in. If you're a real person please complete the challenge above it's the regular find the Fire Hydrants, Traffic lights etc challenge which we all see on the Internet regularly and once done you won't see this page again. Received what I wanted in the time given to me. Will use again when needed. 100%  
By Jennifer Alexander on 6 Apr 2017 Exactly as described and what I needed for some of my craft items 100%  
By Wendy on 27 Mar 2017 Always the best prices for genuine products. Excellent customer service and speedy delivery. Very quick delivery as well. Ask us a question were happy to help. We are currently answering questions in 8 minutes Ask a question Questions asked between 9am and 5pm, Monday to Friday excluding bank holidays will be answered within 30 minutes. First name Last name Email Brief title of your question example colour ink cartridges Enter the details of your question here Publish this question to help other shoppers Ask Question I have a Brother PTouch E100 printed with yellow tape inside it. What tape do I need to replace with. Thanks Tape type Many thanks for your question. Please see the link below for a full list suitable products for your machine If you have any further questions please do get in touch. Answered by Natasha Warnock Staff Member about 1 year ago What length of tape is in one PTE100VP cassette and is ink burnt onto the tape to produce letters. Brother PTE100VP label tape details Most label printers such as the Brother PTE100VP printer use thermal transfer technology in which a heated ribbon produces the lettering. Any of the label tapes listed on this page will work in your PTE100VP printer. We stock a wide range of Brother PTE100VP tape cassettes of various lengths and colours so you can order whichever one best suits your requirements. It can deliver labels for faceplates, cables, consumer units and other datacom and electrical installations.

The LCD display on the PTouch PTE100VP label printer lacks a backlight. Design At the back is a compartment for 6 triple A batteries. It has a 16 character x 1 line LCD display and features an ABC keyboard. The Brother PTE100VP electrical label printer only measures 110 x 207 x 59 mm and weighs 390g and it uses thermal transfer print technology. This device has excellent features from memory save of up to 720 characters to an 80character buffer. The PTouch E100VP labeller is easy to bring along to different projects as it comes with a carry case and an AC adapter. To reduce printing errors, print preview is available. The LCD of the Brother PTE100VP electrical specialist printer doesn't have a back light and its cutter is operated manually. Labelling options are limited as the PTE100VP only has 1 font installed, 3 font sizes, and 3 character types. Manufacturers,See our disclaimer When you need sturdy, dependable indoor labels that are easy to read and easy to print and apply, trust Brother Genuine M2312PK Tape, 2 Pack, Black on White labels. Designed for indoor use on clean, flat surfaces, this economical pack of two label maker tapes is compatible with a wide range of Ptouch machines, making it easier than ever to label and organize everything. EASY LABELS These labels are convenient, fast and easy to make.

Just type, print and place with your compatible Ptouch label maker for quality labels that stick. INDOOR USE These labels are perfect for any indoor environment, including at home, school or the office. Theyre clear, sharp and easily readable. I would recommend this item to others as it is great for home use. I am very glad that Brother still makes this product. This is surprising since I think I have had this labeler for like 10 years. It still works perfectly and it has gotten a lot of use labeling real estate files, spice jars and art supplies, but mostly real estate files. I have gone through 8 cartridges of tape and now purchased 2 more. This is, in fact, the correct product in the correct packaging. The unsatisfied customer must have ordered the wrong product. See more BinskiinSeattle, February 16, 2017 Verified purchaser 0 0 Average Rating 5.0 out of 5 stars Slowly disappearing product. I have had my label maker for many years; and, it is becoming harder and harder to find these replacement cartridges. I purchased these refills so that I could continue to use my current product; and, not have to purchase a new one. I use my label maker and cartridges on a regular basis; and, am very satisfied with their performance. See more teddyzoom, January 25, 2013 Verified purchaser 0 0 Average Rating 5.0 out of 5 stars What I needed, when I needed it. I use my labeler a LOT, so when I unexpectedly ran out of tape, I turned to walmart.com for a refill. These tapes are getting hard to find, so I saved myself running all over town trying to find them. It did take a couple days for them to come in, but they were exactly what I needed.Ask a question Ask a question If you would like to share feedback with us about pricing, delivery or other customer service issues, please contact customer service directly.We use for labeling tabs of file folders and display boxes for offerings at craft booth, so each about 3 in.Hope that is helpful.Each tape is 26.
